VISION / ELEVATOR PITCH

- ◉ My vision is to provide basic amenities to poor and unemployed youth all around the world without government politics. Raise standard of living. Which people think is given by government only. Dreams of politicians and people are fulfilled with Neev International. PPP with Neev.
- ◉ A platform for Graduate Doctors, Engineers, Lawyers, CPA . Service Industry with consultants in Infrastructure, Survey and E Vehicles, Medical Legal and more For DOCTORS ENGINEERS and GRADUATE PROFESSIONALS who do not get a JOB. Those who leave jobs and those who loose job. A chance of LIFE
- ◉ This will reduce corruption and will help law making agencies to upheld law and will provide security to all classes increase in security ill automatically increase living standards of people around the world. Poverty is not a crime. Poor thinking is.

NEEV INTERNATIONAL WAS STARTED TO HELP OTHERS AS QUALIFIED PEOPLE LIKE ENGINEERS MBA,S DOCTORS LAWYERS ARE CHURNING OUT LIKE ANYTHING UNEMPLOYMENT IN THESE PROFESSIONS IS ALSO INCREASING GRADUATE UNEMPLOYMENT GIVES RISE IS CORRUPTION IT ALSO INCREASES VARIOUS CRIMES

- ◉ World over there are humans. Humans have life. A child is raised by his parents. Parents put their best for children. For people who are graduates. Who love their parents. For parents who invested in educating their children. For those who do not have a job. For the people who left their job. For people who lose their job. Neev International a chance to live without QUOTA. A fair chance for everyone around the world to live a life. Neev international works without government or corporate pressures. We provide solutions by giving excellent services. Your fair chance to live a normal human life. In this journey of life, for it is only one life. Let us help each other to live a better life. Dreams of politicians and all the dreams seen by a child and his parents are fulfilled with Neev. Neev for government realization to live a normal life. For politicians to make their dreams come true. Let your dreams come true and let everyone get a fair chance to live from poor to rich. A human life. One life.

MILESTONE IN 2017

- ◉ Started from Valuation work in 2017 moved to survey and project execution. Various works at same time.
- ◉ Got Hydro Power Agreement with Bojini Nepal worth 40 Million Dollars but due to lack of QUALITY MANPOWER the projects went away.
- ◉ Got Soil Testing work all over india with Government Agency still in progress worth 12 Lacs in hand from Feb 2018 *** Order in Hand. Made in house software.
- ◉ Filed first TAX for Neev in march 2018 worth around 10 Lacs of Rupees mostly done by Mr. Rohit Kapoor
- ◉ Lack of Quality Manpower still haunts us. We need more space as the room shown in the video was STORE ROOM in 2017 which is a small office now
- ◉ With blessings we have seen up and down in this.

SANE PROFESSIONALS

- ◉ The small office gets around 200 minimum projects per day pertaining to definition and scope of work from Government like tenders per day and 3 to 10 minimum orders from private and general customers. 1 order a day keeps us at bay.
- ◉ Main customers is people below low poverty line. Exploited laborer, engineers, mason, worker this also include many people from IIT IIM and many other colleges in India or abroad who have not seen a job scenario and fell in strange situation or become victim of mal practice in this our world. They are end user.
- ◉ We look to develop offices around the world along with E COMMERCE sites and mobile applications
- ◉ This market may be more then 71000 crore of Indian rupee or more then 10 billion of US dollar per year.

- Ours is a market place though most of our services and clients are Big Corporates Reliance, Tata, or more. Government and Public all need us. Good governance is our motto.
- Macro trends some of the projects are taken by many government agencies or many large companies like L&T, Gammon, Builders or Trump Estate management.
- The importance is to tap the market world wide and use this as a opportunity for all for rich and for poor. Government is not a GOD. Government is their to provide facility. It's up to us.
- Eco green started along with us for recycle of garbage into green and clean energy. People from scavengers to IIM got work here.
- They have used our consultancy services for Lucknow, Gwalior and Gurugram. For us it is a success. Your success is our dream.
- The services included consultancy and survey services They are a repeat customer with rising income through cleaning cities.
- Various Global Architects are associated with us
- MEDIA LAB ASIA is also a customer though not repeated
- ADB/ UN/ European Bank/ BRICKS/ World Bank and many agencies are potentially lining up with us

◎ ▶ WHO IS YOUR PRIMARY CUSTOMER & HOW DO YOU MAKE MONEY >>>

- ◎ All agencies government or public and private companies are into infrastructure and survey work. We are consultants we also help contractors and manufacturers. Though we are directly asking them money we also try to explain this by our website which is www.neevn.in. Government is not a GOD. Government is full of politician and different variety of people. It is upto people to help run a better system.

◎ WHAT IS THE PRICING / MODEL >>>

- ◎ AT website www.neevn.in and www.fireya.ga. and android apps.... Our intention is to help every individual to survive a better life. Give a chance to work. It is not a JOB SHOP site. Our aim is to provide amenities to people. Good work and sophisticated manpower. We also give 2nd party verified and trained people.

- ◉ ▶ REVENUE AND # OF CUSTOMERS TO DATE
- ◉ Many number of customers since 2017 more than 10
- ◉ 1- NO MARKETING DONE
- ◉ 2- NO sales contact made no one has went to offices
- ◉ Still 10 Lac ++ INR work has been done many customers
- ◉ Lack of work space
- ◉ Lack of Working capital or nil working capital
- ◉ Lack of quality manpower
- ◉ If we had then it may had been 20 times the present
- ◉ ▶ SHOW BASIC MATH ON REVENUES AND CONVERSION RATES
- ◉ 90% Conversion of LEADS to ORDERS. Most orders are now coming online like survey software sales. People know they need quality work. We have always given them good quality work.

OUR LOSS IS YOUR OWN LOSS.

- ◉ ORDERS GIVEN UP say 200 orders worth around 20 Million dollars as revenue gone
- ◉ Lidar survey needs machine as well as drone survey and many like REHABILITATION survey
- ◉ WHERE ARE YOUR CUSTOMERS LOOKING TODAY AND FINDING HELP? One of our customer like IIT KANPUR needed Drone survey but their requirement was 4 crore turnover in the first year. Ask IIT kanpur.
- ◉ SAY ADB they search online as well though many political and government agencies
- ◉ WHERE WILL YOU GET IN FRONT OF THEM? WE are now getting registered with various agencies... vendors and people approach directly.

- ▶ HOW WILL YOU ACHIEVE YOUR TARGET GROWTH RATES?
- We have a dream.... Trust and worship ... rest is upto people like you to realise our dreams as well as yours.
- WHAT ARE THE MOST IMPORTANT AND UNIQUE CHANNELS AND METHODS YOU WILL USE TO FIND AND WIN CUSTOMERS? Human beings... cooperation

- ◉ SELF WORK and team work
- ◉ HOW ARE YOU DOING IT DIFFERENTLY THAN OTHERS IN THE SPACE

WE are unique there is no competition however the CITY RULE says that if a bread shop is open then another may be opening soon.

- ◉ THIS IS THE MINIMUM WE COULD DO with ACTUALS as perspective

Growth potentials if we were aided you were better.

- | ◉ Unaided without funding | Aided with funding |
|------------------------------|--------------------|
| ◉ 2017 15 lac INR | 5 crore INR |
| ◉ 2018 30 lac INR | 15 crore INR |
| ◉ 2019 40 lac INR | 25 crore INR |
| ◉ 2020 60 lac INR | 50 crore INR |
- ◉ This could have been more providing normal governance and cooperation . Corruption loss is known to all uhhh... IIT people you got money....??? Crime comes from corruption which is bad thinking. Good and positive thinking less work and more prosperity.
